

**CreaZen®**

## Panels

CreaZen is a completely new railing system with an attractive design, inspired by natural elements.

## Product detail

### **BENEFITS**

#### **Stylish**

This panel, with its criss-cross design of natural lines, is inspired by the current trend of decorative new style railings. A modern take on a classical concept.

#### **Pure design**

The square tubes of this particular fence panel provide a balanced aesthetic and a clean-cut look.

#### **Sleek installation**

This new panel retains its sleek exterior thanks to almost invisible fixings, and is also easy to install with our compatible range of Bekafix posts.

## Security level

## Applications

## Functionalities

## Panels

The panels have a width of 2400 mm and are available in a range of heights from 1000 to 2000 mm.

The vertical square tubes are welded at both sides of the horizontal tubes, in a criss-cross way.

Spacing between the vertical tubes is max. 110 mm

Horizontal rectangular tubes: 40 x 20 mm

Vertical square tubes: 20 x 20 mm

## Posts and fixation

### Bekafix posts

CreaZen panels are installed with Bekafix and Bekafix Ultra posts. They are easily fixed to the posts by making use of specific fixators.

## Gates

CreaZen fences can be combined with CreaZen gates, available as a single and double swing gates.

## Coating technique

The welded panel is hot dip galvanized and polyester coated (min 60 micron). The Bekafix posts are galvanized inside and out and polyester coated (min. 60 micron).

## Accessories

Several installation accessories are available:

- fixation clamps (plastic), with stainless steel nuts and bolts
- base plates
- corner fixators for installing panels in an angle
- closing caps for vertical tubes
- Bekafix flat caps without hook

## Colours

Anthracite RAL 7016

Other colours on request

## ASSORTMENT CREAZEN
