

Twilfix® Posts

Posts

Universal, powder coated square post to fit all low to medium security panels.

Product details

BENEFITS

- Universal post designed to fit all our low to medium security panels
- Popular square design
- Options for metal or nylon fixings. A clamp bar solution is also available for certain panel types
- Fixings or clamp bars secure the panel to the post using unique tamper resistant Trilobe bolts
- Posts include stepping holes for installations on sloped ground. Extra holes provide 100mm stepping option.

A classic combination! Try our Twilfix post with Paladin Classic panels - this original and unique welded mesh fence combination is a classic & still as attractive as ever!
